Things you should Know ...

1. The Zoom link each group member receives is unique to them. No sharing, please.
2. Webinar handouts will be sent the morning of each live webinar presentation
3. If some group members aren't able to attend a live webinar presentation they'll receive an archive link after each live presentation which will expire two(2) weeks after each live presentation.
4. Survey link - Your group feedback is important to us. Participants will receive a request to complete a short survey after the live or archive presentation. Once completed, group members can send in their names to be added to a draw for a free copy of a resource of their choice from the "Talking To Your ... Series."
